As being a home owner in Maricopa medows and living here only 6 months a year my home is vacant 6 months and I pay 0 minimal usage fee and use almost no water. I feel as though the economy has suffered enough hardship at this time and any increase in fees would be financially hard on all of us. Maybe there should be a 50% rebate to all of us customers who pay yearly for a usage of only 50% and there is many of us snowbirds in this community. You are only being Greedy to impose any increase at this time.
